## PROFESSIONAL COSMETIC SOLUTIONS

### SKIN LABORATORIES for Healthcare

With twenty years of experience in the world of professional cosmetics, Sanitec introduces Skin Laboratories, a line of products totally dedicated to the care of the most sensitive skin, ideal for nursing homes, kindergartens, clinics and any other public and private health facility. The entire range offers specific formulations, designed according to the guest's needs. **The products of the Skin Laboratories line are clinically tested even for the most sensitive skin.**

### Specific active ingredients according to the patient's needs

#### SOOTHING ACTION

**ZINC OXIDE.** It helps regenerate the epidermis and prevents the appearance of redness. Provides relief for nappy rashes in children, but also irritation due to skin conditions in adults or bedsores in the elderly.

#### MOISTURIZING, EMOLLIENT, HYGROSCOPIC, REFRESHING ACTION

**GLYCERINE.** Thanks to its humectant/hygroscopic properties, it is able to absorb the moisture present in the air, increasing the state of skin hydration. It's a fundamental ingredient for all products that fight skin dehydration and want to restore an immediate feeling of relief.

#### MOISTURIZING, EMOLLIENT AND SOOTHING ACTION

**PANTHENOL.** It helps the skin to create a barrier against irritation and water loss. It acts as a humectant, infusing cells with water, retaining moisture deep inside the tissues.

#### EMOLLIENT, FIRMING PROPERTIES

**MACADAMIA OIL.** It manages to rebalance the production of sebum and promotes the production of collagen for a toned and elastic skin.

### TOTAL BODY SOFT MOUSSE

With hyaluronic acid, glycerine and vitamin E

Code: 3211  
EAN: 8050999570659  
Pack: 6 units x 600 ml

600 ml pH: 5.0 +/- 0.5

**pH neutral skin-cleansing mousse with delicate surfactants for body, hair and intimate washing**

- Formulated to minimize the risk of allergies.
- Suitable for all skin types
- With hyaluronic acid, glycerine, Vitamin E and panthenol.
- Perfect for daily hygiene and assisted bathing.

#### How to use

Apply product onto the palm of your hand or with a wash cloth directly where required. Use like a normal hand and body wash, intimate wash or shampoo in appropriate doses

. Wash and rinse with water as appropriate for type of use.

### TOTAL BODY

With glycerin, vitamin E and panthenol

Code: 3210  
EAN: 8050999570284  
Pack: 6 units x 500 ml

500 ml pH: 5.0 +/- 0.5

**Gentle low-foaming all-over hair, body wash and intimate hygiene.**

- Formulated to minimise the risk of allergy.
- Suitable for all skin types
- With glycerin, vitamin E and panthenol
- Perfect for daily hygiene and assisted bathing.

#### How to use

Apply product onto the palm of your hand or directly where required. Use like a normal hand and body wash or shampoo. Alternatively dilute in water before use

### TOTAL BODY

With glycerin, vitamin E and panthenol

Code: 6030  
EAN: 8050999570062  
Pack: 6 units x 1000 ml

1000 ml pH: 5.0 +/- 0.5

**Gentle low-foaming all-over hair, body wash and intimate hygiene.**

- Formulated to minimise the risk of allergy.
- Suitable for all skin types
- With glycerin, vitamin E and panthenol
- Perfect for daily hygiene and assisted bathing.

#### How to use

Apply product onto the palm of your hand or directly where required. Use like a normal hand and body wash or shampoo. Alternatively dilute in water before use

### SOFT SHOWER GEL

With Pro-Vitamin B5

Code: 6012  
EAN: 8050999570482  
Pack: 6 units x 600 ml

600 ml pH: 4.5 - 5.5

**Low foaming oil-smooth effect skin cleansing body wash.**

- Low foaming oil-smooth effect
- Suits all types of skins
- Respects the skin's natural hydrolipid film
- Tested even on sensitive skin

#### How to use

Apply to wet skin. Lather, then rinse carefully.

### SOFT SHAMPOO

With Panthenol and Keratin

Code: 6013  
EAN: 8050999570499  
Pack: 6 units x 600 ml

600 ml pH: 4.5 - 5.5

**Gentle shampoo for frequent washing**

- Also suitable for use on irritated scalp.
- Cleanses all hair types thoroughly
- Ideal for frequent washing
- Dermatologically tested

#### How to use

Apply product to wet hair and massage delicately. Leave to work for a few minutes, then rinse. Repeat if necessary.

### INTIMATE WASH

With Glycerine and Lactic Acid

Code: 6014  
EAN: 8050999570512  
Pack: 12 units x 250 ml

250 ml/0.25 kg pH: 4.0 - 5.0

**Delicate Intimate Wash.**

- Respects bacterial flora balance and helps prevent unpleasant odours from forming.
- With Glycerine and Lactic Acid.
- Dermatologically tested

#### How to use

Pour product onto the palm of your hand and use like a normal wash on external intimate areas. Alternatively, dilute in water and wash.

### CLEANSING OIL

With formula delicate on skin, without preservatives

Code: 6031  
EAN: 8050999570116  
Pack: 12 units x 300 ml

300 ml pH: 5.5 +/- 0.5

**Cleansing Bath Oil**

- With emollient and hydrating ingredients
- With formula delicate on skin, preservative-free
- Respects the natural hydrolipidic film
- Non-greasy

#### How to use

Dilute product in water, cleanse and rinse

### WASH CREAM

With Panthenol and Glycerine

Code: 6010  
EAN: 8054633839805  
Pack: 6 units x 600 ml

600 ml pH: 5.3 +/- 0.5

**Hydrating all-over body wash cream**

- No rinse formula
- Maintains the skin's hydrolipid balance
- Also ideal for assisted cleansing in bedbound patient care or as an alternative to wet wipes
- With Panthenol and Glycerine
- Dermatologically tested

#### How to use

No need to rinse.
